Begin with the soothing warmth of an infrared sauna, easing tension and preparing your body for deep renewal. Continue with a rejuvenating green apple sea salt stem cell body scrub, designed to gently exfoliate, encourage skin cell regeneration, and support visible firming and toning for both anti-aging and anti-cellulite benefits.

Your experience concludes with a calming scalp cocoon massage, enhanced with a nourishing fragonia and bergamot-infused leave-in mask to restore scalp health and leave you feeling calm and refreshed from head to toe.

INCLUDES

- 45 min Infrared Sauna
- Green Apple Sea Salt Scrub + Hydration (with anti-aging & anti-cellulite benefits)
- Scalp Cocoon (massage + bergamot leave-in hair mask)
